ENGINEERING
PHARMACEUTICAL
INNOVATION

Keynote Speakers

Nicole Seabrook - QA Compliance Auditor

Shannon Manning - Production Engineer

There will also be a panel discussion including other various Novartis employees.

Novartis provides healthcare solutions that address the evolving needs of patients and societies. Focused solely on healthcare, Novartis offers a diversified portfolio to best meet these needs: innovative medicines, cost-saving generic pharmaceuticals, preventive vaccines, diagnostic tools and consumer health products.

Free Food @ 6pm!
