Atlantic
Chapter**

ENGINEERING
PHARMACEUTICAL
INNOVATION

Keynote Speakers

Steve Dawson -Director of People and Organization

Jay Kuykendall- Project Manager for Product Transfer

Novo Nordisk is a focused healthcare company and a world leader in diabetes care. They are actively working to change the course of the diabetes pandemic, improve the daily lives of people with diabetes, and to expand the possibilities for people with hemophilia, growth disorders and women requiring hormone therapy. Innovation and personal passion are the hallmarks of how we operate.

Free Food @ 6pm!
